*"Building Better Builders"*

### **SCHOLARSHIP ANNOUNCEMENT**

The Humboldt Builders' Exchange is the only full service Builders Exchange on the north coast of California. Since 1959 we have been serving Humboldt County and the surrounding areas by promoting "licensed" contractors, informing the public of their rights, and working to strengthen our local construction industry. The Humboldt Builders' Exchange Community Fund (HBECF) is our nonprofit charitable corporation through which our Scholarship Programs, at both the college and high school levels, are offered. Our goal is to assist and motivate our youth, not only for continuing their education, but also to help to build and strengthen the Construction Industry by their becoming a part of it.

HBECF is proud to offer to Humboldt County graduating high school seniors a scholarship to assist them with continuing their education in the construction industry. This scholarship will be awarded to qualified student applicants and weighted heavily on their academic record. Serious consideration will be given to those applicants who have demonstrated a commitment to education through their academic performance during their high school years, as well as their current financial needs and community service.
