"Building Better Builders"

2022 SCHOLARSHIP ANNOUNCEMENT

The Humboldt Builders' Exchange has served Humboldt County and the surrounding areas by promoting "licensed" contractors, informing the public of their rights, and working to strengthen our local construction industry since 1959. The Humboldt Builders' Exchange Community Fund (HBE CF) is our nonprofit charitable corporation through which we offer both our College and High School Scholarship Programs. Our goal is to assist and motivate our youth, not only for continuing their education, but also to help to build and strengthen the Construction Industry.

HBE CF is pleased to offer a scholarship for Humboldt County graduating high school seniors to assist them with continuing their education in the construction industry. This scholarship will be awarded to qualified student applicants and weighted heavily on their academic record. We will give serious consideration to those applicants who have demonstrated a commitment to education through their high school academic performance, as well as their current financial needs and community service.
